Why book your business travel with us?

Our clients tell us the 5 things they appreciate most about working with a Flight Centre business travel specialist are:

Having a Personal Travel Manager

We are not a call centre or an Internet booking engine. Our people are experienced travel professionals dedicated to providing you with the right advice. One person is responsible for your account and organizing all your travel. We take the time to get to know you, to understand your business, your travel preferences and identify your concerns.

Your personal Travel Manager ensures you are travelling in the most economical and efficient way taking into account budget, timing and your travel preferences.

Savings — delivered on both money and time

Travel smarter and let us do what we do best, while you get down to business.

Thousands of dollars are lost each month by businesses booking what appears to be the cheapest ticket online. Plans change and low-priced fares available online are often non-changeable and non-refundable. In addition, our research indicates that up to one in three of our hotel bookings are either amended or cancelled. Your personal Travel Manager is experienced and knowledgeable and can tap into multiple fare sourcing, so you not only receive the best value but the flexibility you need. We will save you hours of lost productivity surfing the internet in search of the best deal through our access to the latest range of fares and rates.

Unbeatable Business Travel Management

Flight Centre is your local business travel service and part of the worldwide Flight Centre Limited Group. We provide business travel services tailored to the needs of growing businesses, focusing on exceptional customer service and best value.

We provide you with choices.

We're not just going to give you one solution. Your Personal Travel Manager will discuss your needs with you and will provide you with at least 2 options (your preferred option & a lower fare option) - low cost, best value and most efficient routing. They might also look at alternative options, eg. using another airline where you might collect air miles.

Our Global Hotel Program gives you access to more than 15,000 properties around the world. You'll also have access to a wide range of ground transport and insurance options as well as exclusive partner promotions.

We offer you the best fare of day and the best rate of day, everyday.
